SOURCE DESCRIPTION:

An application for the renewal of their Title V permit was received from Rogers Group, Inc – Hopkinsville Asphalt on May 20, 2004 and was complete on February 21, 2007. The applicant operates a batch hot-mix asphalt plant with an associated RAP unit at their Hopkinsville Asphalt Plant facility in Hopkinsville, Kentucky.

PUBLIC AND U.S. EPA REVIEW:

On June 11, 2007, the public notice on availability of the draft permit and supporting material for comments by persons affected by the plant was published in *The Kentucky New Era* in Hopkinsville, Kentucky. The public comment period expired 30 days from the date of publication.

No comments were received during this period. The permit is now being issued as a proposed permit. The U.S. EPA has 45 days from the date of the issuance to submit comments. If no comments are received during this period, the Division will proceed to issue the final permit.
